ABINASH SARANGI

+919583682212 | sarangiabinash17@gmail.com | Panchupal, Barang, Cuttack, Pin:754005

CAREER OBJECTIVE

Computer Science graduate with a strong focus on networking and system administration, with hands-on knowledge of routing, switching, network configuration and troubleshooting. CCNA certified and seeking an entry-level opportunity to apply technical skills in building and supporting secure, reliable, and efficient network infrastructures.

EDUCATION

- **KMBB College of Engineering and Technology** - Khordha, Odisha | **B.Tech Computer Science And Engineering**, 2021-25 | **CGPA: 7.88**
- **KMBB Science Higher Secondary School** - Cuttack, Odisha | **Class XII**, 2019-21 | **Percentage: 73.33%**
- **Utkalmani Nodal Ucha Bidyapitha** - Kendupatna, Barang | **Class X**, 2019 | **Percentage: 73.5%**

SKILLS

- **Networking & Systems:** LAN/WAN, TCP/IP, Routing & Switching, VLANs, DHCP, DNS, FTP, Active Directory, Network Troubleshooting
- **Operating Systems:** Windows, Ubuntu
- **Networking Tools:** Cisco Packet Tracer, PuTTY (SSH/Telnet)
- **Core Strengths:** Problem-solving, Analytical Mindset, Technical Documentation, Quick Learner, Communication & Teamwork

CERTIFICATION

- **Cisco Certified Network Associate (NSQF Level 4) —** MSME Technology Centre AB (Dual), CTTC Bhubaneswar
- **CCNA 200-301: Networking Fundamentals –** Simplilearn

PROJECTS

Multi-Site Enterprise Network Simulation | Cisco Packet Tracer :

- Implemented VLANs, Inter-VLAN Routing, OSPF, DHCP, SSH, ACLs and PAT for secure and reliable HQ–Branch connectivity.

5-Floor Enterprise Network Architecture | Cisco Packet Tracer :

- Designed a 5-floor departmental network with VLAN segmentation, DHCP-based automatic IP allocation, inter-department communication and high availability using minimal resources.
